

AMENDMENTS TO THE DRAWINGS:

Applicants request that the replacement drawings which follow this amendment be inserted in place of the drawings initially provided with this application.

REMARKS:

This amendment is being submitted with payment of the Issue Fee for this application.

In reviewing this application in response to the Notice of Allowance mailed May 22, 2008, Applicant noted that the drawings as originally filed contained figure legends. These figure legends have now been removed from the drawings submitted herewith and specification has been amended to include these figure legends in a Brief Description of the Drawings section. Accordingly, Applicant submits that no new matter has been introduced by the aforementioned amendments to the specification and drawings submitted herewith and entry of these amendments is therefore respectfully requested.

Applicant believes that no additional fees are due. However, should any fees be due, the Commissioner is hereby authorized to charge any fees in connection with this application and to credit any overpayments to Deposit Account No. 14-1447. The undersigned invites the Examiner to contact him/her by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,
